Federal Fiscal Year (FFY) 2014-2018 Transportation Improvement Program (TIP) Amendment # 14-04

June 13, 2016

The Poughkeepsie-Dutchess County Transportation Council (PDCTC) proposes an amendment to the Federal Fiscal Year (FFY) 2014-2018 Transportation Improvement Program (TIP): the five-year capital program that assigns federal funds to transportation projects located in Dutchess County. The Transportation Council periodically updates the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. Significant changes are classified as amendments and require that the Council hold a 15-day public comment period prior to action.

Amendment #14-04 adds \$1.384 million in Federal Highway Administration (FHWA) funding for two existing highway projects: 1) City of Poughkeepsie – Creek Rd./Smith St./Little George St. roundabout (PIN 875782) and 2) Dutchess County DPW – CR 31 (Palen Rd.) bridge reconstruction in the Town of East Fishkill (PIN 875727). Please see the attached TIP sheet for more information.

About the PDCTC: Established in 1982, the PDCTC serves as the designated Metropolitan Planning Organization (MPO) for Dutchess County. Federal law requires that all Urbanized Areas, U.S. Census defined metropolitan areas with over 50,000 people, be represented by a MPO, which is responsible for ensuring that Federal transportation dollars (highway and transit) are committed through a locally driven, comprehensive planning process. The PDCTC includes representatives from local municipalities, the New York State Department of Transportation, and the Metropolitan Transportation Authority.
